GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat.

No 18852 *Dated, Bangalore, 6th* June 1941.

From

The Secretary to the Government of His Highness the Maharaja of Mysore.
Law Department.

To The Municipal Commissioner,
Bangalore City,

Through the President.

Sir,

With reference to your letter No.A5. Pr.260/40 dated 27th May 1941 requesting sanction to the continuance of certain temporary establishments in the City Municipality during the year 1941-42, I am directed to state that the continuance of the Post of a clerk on Rs.25-1-40 for the Profession tax work seems to be unnecessary in view of the decrease of work in that section as observed by the Comptroller in another connection.

As regards the Divisional Accountants, Distraining Officers, Shanbogues, and Process Servers, the proposals for their continuance or otherwise will have to be considered only after the actual collections under assessed taxes for the year 1940-41 are known, as so much establishment may not be required afterwards.

It may also be stated why a progressive scale of pay has been proposed in these temporary establishments.

A statement showing the percentage of expenditure under establishment as compared with the normal income for the last five years both under permanent and temporary establishment may be kindly sent.

An early reply is requested.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary to Govt. - Law Department

SIR,

With reference to your letter No.L.8852 dated 9-6-1941, calling for certain particulars regarding the continuance of certain Temporary Establishment in this Municipality during the year 1941-42etc, I have the honour to state that it is absolutely necessary to continue the temporary establishments referred to in your letter under reply for the reasons explained by the Revenue Officer in his Memo No.Ml.Gl. 7597/40 dated 12-8-1941, a copy of which is enclosed for kind reference.

As these temporary establishments have to be made permanent in course of time, a scale has been proposed and proposals therefor will be placed before the Government well in time next year.

A statement showing the percentage of expenditure under collection establishment including the temporary staff for the last 5 years is herewith submitted, along with a statement showing the Demand, Collection and Balance of the Assessed Taxes for the year 1940-41.

I request that the sanction of Government may kindly be obtained for the continuance of the several temporary establishments referred to in this office letter No.A5.Pr.260/40 dated 27-5-1941, for the year 1941-42.

I have the honour to be,

Reference -A5.Pr.260/40 dated 17-6-41 calling for a report on the points raised from the Secretary to Government, Law Department, in his letter No.L. 8852 dated 9-6-41 regarding continuance of certain temporary establishments for the year 1941-42.

Submitted to the Municipal Commissioner.

1. In pursuance of G.O.No.L.8557-58/Ml.22-40-38 dated 28-5-40 one clerk on Rs.40/- has been retrenched from 1st July out of the permanent establishment of Profession Tax Branch and two posts of Bill Collectors on Rs.15/- plus 5 C.A. each are created from out of the savings thus effected.

As the demand is raising from year to year it may go up to Rs.55,000/- including arrears during the current year for collection. As such it is not possible to manage the accounts by one clerk and therefore the continuance of the temporary clerk is absolutely necessary as a permanent measure.

2. The collections under assessed taxes during the current year is Rs.5,05,000/-. As many extensions are recently sprung up in the Municipal Limits including Private lay-outs. The present collection staff including temporary hands sanctioned from year to year is quite inadequate to cope up with the work of the collections of assessed taxes, as the demand may go up to nearly 9½ lakhs including arrears during the current year. Some more staff will be necessary to cope up with the work and a proposal will be made after September For the present the present temporary staff may be continued.

The percentage of expenditure under establishment as compared with the income for the last 5 years under assessed taxes is here with submitted for kind perusal. Early sanction of Government may be kindly obtained for the continuance of the Temporary Establishments permanently from 1st July '41 as already recommended by me.
